### **Minimum Wage Increase, Director of Finance Determination and Certification**

Labor Code section 1182.12 requires the Director of Finance to annually make a determination and certify to the Governor and the Legislature whether an adjustment for inflation is applied to minimum wage after the minimum wage reaches fifteen dollars (\$15) per hour. Pursuant to this section, the minimum wage of \$15 per hour was implemented on January 1, 2022 for employers who employ 26 or more employees and scheduled for January 1, 2023 for employers who employ 25 or fewer employees.

Following the implementation of the minimum wage to \$15 per hour, Labor Code section 1182.12(c) requires that on or before August 1 of each year, the Director of Finance determines if the minimum wage shall be adjusted for inflation and calculates the increase in minimum wage by the lesser of 3.5 percent or the rate of change, as specified, for the United States Bureau of Labor Statistics non-seasonally adjusted United States Consumer Price Index for Urban Wage Earners and Clerical Workers (U.S. CPI-W).

The Department of Finance calculates the U.S. CPI-W for the 12-month period from July 1, 2021 to June 30, 2022 increased by 7.9 percent compared to the 12-month period from July 1, 2020 to June 30, 2021. Labor Code section 1182.12(c)(3)(B) requires that when the rate of increase in inflation exceeds 7 percent in the first year in which the minimum wage for employers with 26 or more employees is \$15 per hour, the minimum wage for employers with 25 or fewer employees must be set to the same amount as for employers with 26 or more employees, effective the following January 1. As a result, pursuant to subdivision (c), Finance has determined that minimum wage

shall increase by 3.5 percent to \$15.50 per hour and shall be implemented for all employers on January 1, 2023.

Based on the calculations described above, I hereby certify that the minimum wage shall increase by 3.5 percent and the rate shall be \$15.50 per hour for all employers effective January 1, 2023.
