2023–24 First Extraordinary Session
Pursuant to the Proclamation by the Governor of California
November 30, 2022

*Only sets forth the
purposes of the special
session*

To consider and act upon legislation necessary to:

- a. Deter price gouging by oil companies by imposing a financial penalty on excessive margins, with any penalties collected to be returned to Californians.
- b. Empower the Energy Commission and the Department of Tax and Fee Administration to more closely review and evaluate costs, profits, and pricing in the refining, distribution, and retail segments of the market for gasoline in California.
- c. Provide for greater regulatory oversight of the refining, distribution, and retail segments of the market to prevent avoidable supply shortages and excessive price increases.
- d. Make conforming changes to existing law consistent with paragraphs (a), (b), and (c).
